

Dear Parent/ Student,

Regular School attendance is important to the academic success of every student. On our block schedule of semester classes, students are allowed to miss 5 days for each class per semester. Absences above this limit violate **SC Compulsory Attendance Law** and put the student in danger of losing credit.

****Please note that although we will make every effort to inform students when they have exceeded the allowed number of absences, *it is ultimately the student's responsibility to keep track of their absences.***

This year, NEXT High School/NEXT Eagle Ridge will offer Seat Time Recovery (STR) for those students who are passing their classes yet slightly over in terms of days for attendance based on the following schedule. Students should see Susanne Wiedemann at the Greenville Campus and Kathy Radford at the Eagle Ridge Campus to sign up for individual sessions. The cost is \$10 for 3 hours and \$20 for 6 hours. One 3hr STR equals 2 class periods. One 6 hr STR is equal to 4 class periods.

****Scheduled dates are subject to change as needed and recovery time is to be completed before the end of the semester. These dates are for the first semester. Second semester dates will be posted in February during the second semester.***

By attending the Seat Time Recovery (STR), I acknowledge my agreement to the following:

- School computers and phones will not be accessible during STR unless approved by the seat time coordinator. Food and drink are not permitted. It is the student's responsibility to bring materials to class to work on.
- I understand that all school rules will apply during STR and that I will be expected to remain quiet during the entire session. I understand that the STR coordinator may dismiss me from the STR for disruptive behavior and I will not receive a refund or receive credit for the session.
- I understand that the STR session begins at 3:15 and I will not be admitted after this time. If I am tardy, I will not receive a refund or credit for the session.
- I understand absences for any class cannot be reduced to less than the maximum required to receive credit (hours cannot be banked).
- I understand that students are to leave campus or be picked up immediately at the end time of seat time.
