PEER GUIDE TO COMMUNITY SERVICE

*All Peers must complete **12 hours** of community service by the end of the school year.*

WHAT IS "COMMUNITY SERVICE"?

Community service is unpaid work performed by one person or a group of people for the benefit of others in their community.

4 STEPS TO COMPLETING YOUR COMMUNITY SERVICE

01

Check out the list of approved [service opportunities on our website](#). If you don't see your preferred service project on the approved list, then send an email to communityservice@nexthighschool.org for approval.

02

Call or email the place(s) you would like to serve at to set up a good time for you to come.

03

Go serve! Remember to wear suitable clothing for the work you will perform. For your safety and the safety of others, don't forget to practice social distancing.

04

Take your Community Service Verification form with you to have signed by your volunteer supervisor. This can be [found here on our website](#) and submitted via email to communityservice@nexthighschool.org.
